@UK PLC

@UK is Europe's leading Cloud Platform with over 1 million users, which is used for University and Colleges' procurement along with local authority, schools and other Government and private sector procurement.

The GeM marketplace for Universities and Colleges which launched on 1st August 2011 is the only card-based national marketplace in the world. It was successfully delivered for the 800 Universities and Colleges in the UK and the 680 National Suppliers, proving that Cloud Ecommerce delivers large complex projects for Government on time and on budget.

Richard Benyon MP Minister for the Natural Environment, launched the @UK Green Ecommerce Marketplace in October 2010, which is now the largest repository of product carbon footprints in the world.

@UK was used by the National Audit Office to identify over £500 million in savings for 25% of NHS spend. The ground breaking SpendInsight system used to identify the savings resulted in the award of 2 PhDs in artificial intelligence.

@UK delivers key Government commitments of Savings Sustainability and SME Inclusion along with support for start-ups. @UK PLC has now created over 200,000 start up businesses and launched a new Cloud-Start-Up.com service to provide a complete suite of cloud business software to start-ups along with the essentials of limited company, bank account, domain name, email, ecommerce, accounting system and membership of the @UK business club.

This has been followed by the announcement of the 2012StartUp.com campaign, which is supported by the AIM market of the London Stock Exchange, the Forum of Private Business, and BASDA, the software industry association. The campaign aims for a 27% growth of 100,000 start up companies and growth for existing businesses. It is a practical campaign that will result in companies being formed and growing through @UK's technology.

@UK is included in the Software and Computer Services Sector (9530).
